

IT Leadership On-Demand

Expertise at Scale

Technical Expertise On-Demand

iCorps [IT Leadership On-Demand](#) program provides enterprise-level business consulting to small and medium sized businesses. Rather than hiring a full-time IT leader, you can leverage IT Leadership On-Demand for technology professionals with the insight and business acumen to support your objectives.

This program is highly scalable, allowing you to adjust solutions based on technology needs, workflow, and staffing changes. IT Leadership On-Demand serves as a natural complement to any business laying the foundation for technical excellence. IT Leadership On-Demand is a comprehensive consulting service, with pricing that begins at \$1,000.00 per month. This fee includes:

- One virtual scheduled monthly meeting with your business stakeholders (**Up to 1 Hour**)
- On-Demand Services (**walk-in**), 30-minute SLA on ad-hoc request to meet urgent needs
- Up to 4 hours of IT services per month in your On-Demand plan (**After 4 hours, time is billed in 30-minute increments**)

**Technical Vendor
Management, Evaluation,
and Support**

**IT Governance,
Reporting, and Risk
Management**

**Strategic Cybersecurity
Guidance and
Technology Planning**
