

Staying Connected With Microsoft Teams

Stay Connected in Chats and Meetings

No watercooler? No problem. Easily contact colleagues one-on-one or create group conversations. Join meetings with HD video and audio to connect with your team.

Collaborate with Office 365 Apps

Share your work for seamless collaboration on Teams. Teams integrates with Word, Excel, PowerPoint, SharePoint, Power BI and more, giving you a centralized productivity platform.

Share Content and Connected Virtually

Share presentations, videos, and projects with ease. Use Whiteboard to brainstorm with your team on a shared digital canvas.
