vCIO On-Demand

Expertise at Scale

Technical Expertise On-Demand

iCorps vCIO On-Demand program provides enterprise-level business consulting to small and medium sized businesses. Rather than hiring a full-time IT leader, you can leverage vCIO On-Demand for technology professionals with the insight and business acumen to support your objectives.

This program is highly scalable, allowing you to adjust solutions based on technology needs, workflow, and staffing changes. vCIO On-Demand serves as a natural complement to any business laying the foundation for technical excellence. vCIO On-Demand is a comprehensive consulting service, with pricing that begins at $1,000.00 per month. This fee includes:

Virtual Weekly Consultant Meetings

- One virtual scheduled weekly meeting with your business stakeholders.

Ad-Hoc Services & Leadership

- On-Demand Services (when needed) to meet your urgent business needs.

4 Hours of Monthly IT Services

- Receive up to 4 hours of IT services per month in your On-Demand plan, including weekly virtual meetings. After 4 hours, time is billed in 30-minute increments.
